

Hello,

Thank you for considering Bestwood Agency Intensive Residential Treatment services. While we understand that the referral and screening process is extensive and time consuming, this is to ensure that our team provides the best services possible. The referral process is a joint activity with the client, the client's current treatment providers, any members of the client's natural support network identified by the client, and members of our team. This referral packet includes:

- A referral information form to gather information about the individual which includes requested documentation to assist in determining eligibility for services as outlined in Minnesota Statute 245I.23, Subd. 15.
- Information about Bestwood Agency IRTS as well as program expectations to help you make an informed decision about your treatment.
- A blank release of information to assist in care coordination and the referral process.

Supporting documentation that is necessary to aid in successful placement of an individual includes but is not limited to:

- Current diagnostic assessment, psychiatric evaluation, and/or functional assessment
- Most recent treatment plan and progress notes
- Current list of medications

A full list of required documentation can be found on page 3. In addition to the above documentation, an interview may be completed with the individual to ensure they meet all criteria necessary for a safe and successful placement. After a candidate is successfully screened and accepted, a source of payment needs to be secured prior to admission. We also require signed medication orders from the prescribing physician as well as 30 days of medications prior to admission.

Please let us know if you have questions or need assistance navigating our referral process.

Guidelines for Completing the Bestwood Agency LLC Authorization for Disclosure

Client Information: Complete this entire section with clear and legible writing so the information identifies the client whose information is being requested/ released.

I Authorize: Please check by either: 1) Release To, 2) Receive From, or 3) Both Release & Receive. If you choose only “Release To” Bestwood Agency LLC can only share information; If you choose only to “Receive From” Bestwood Agency LLC CANNOT share any information; If you choose “Both Release & Receive” Bestwood Agency LLC may share and receive information from the agency/ name listed on the form.

With Agency/ Name: Indicate clearly and legibly where or whom you wish to send/ receive information with. Be as specific as possible.

What do you want Released? The purpose of this section is to have us share the information you want us to. Only the specific information checked will be released. If no dates are specified, we will only release the most recent DA and 3 progress notes. Minimum Necessary means we will use the least amount of information possible to accomplish the desired task. Select “Verbal” if you want us to release or obtain information verbally with the listed releasing/ obtaining party. Verbal is all inclusive. “Screening Tools” will include: SDQ/ CBCL, PHQ-9, and Locus.

Purpose of the Release: Identify the reason you need to release/ request information. This helps Bestwood Agency LLC appropriately provide care and track releasing of confidential information. It informs us who may be responsible for the cost of medical records being released and is required on each release. *Fees may be charged in accordance with MN statutes 144.292 and Federal Rule 45 CFR 164.524 (where applicable).

Substance Use Disorder (SUD) Special Consent: This section must be completed to allow previous agencies to release SUD records on your behalf. This information is protected by Federal Confidentiality Rules (42 CFR, Part 2). The Federal Rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person whom it pertains or as otherwise permitted by 42 CFR, part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal Rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient. The dates of special consents are required to release SUD records. Select “Verbal” if you want us to release or obtain SUD information verbally with the listed releasing/ obtaining party. Verbal is all inclusive.

Preferred Method: This tells us how you would like your information provided. We can print and mail the documents, send them by fax, CONFIDENTIAL email, or we can print the records and make them available for you to pick-up at one of our locations.

Authorization and Revocation: Signing this form (or having the parent/ legal guardian sign for the client) will grant authorization to share/ receive confidential information. Please sign and date this form to validate this authorization. If signed by someone other than the client or parent of a minor, you will be required to provide written proof of your authority (legal paperwork). This authorization will automatically expire in one year from the date signed unless a different date or event has been identified, not to exceed 5 years per (144.293, Subd. 4) from the date signed. This authorization can be revoked at any time by your written request to Bestwood Agency LLC.
